Roger Dowd sent a 14k wire to my partner whom was using the very same sms content, then 3 days later contacted the bank and pretended the wire they sent was fraud in

attempts to get it reversed. Luckily a signed IO, invoice, emails, transcripts...etc got the bank to realize it was a BS story and stopped the fraudulent reversal.

Roger Dowd from Reach Media group owes me \$13,000 and forcing me to hire Harrison Gevirtz to take them to court. I'm also aware that they owe another network \$xx,xxx in addition to another affiliate they owe \$xx,xxx. Roger claims we were using "unapproved" sms content however I have countless emails, skype transcripts...etc where he told me to use his exact word for word message on my marketing materials or else risk non payment, which I did under threat and now hes claiming its unapproved BS story.
